

## Dear Students and Parents:

Welcome back to our German program! We are looking forward to a great year.

In Language Arts:

- The students will receive a new home learning assignment every Thursday. It will be due the following Monday, latest on Tuesday. Late home learning will

not be accepted. All home learning must be dated.

- The grading scale is:

A for 1-4 mistakes, B for 5-8 mistakes, C for 9-12 mistakes, D for 13-16 mistakes, F for more than 16 mistakes OR missing home learning

- Please make sure that the students write their corrections below the last home learning assignment (“Verbesserungen”). If the corrections are missing, the new home learning grade will be lowered by one grade.
- The students shall copy the home learning assignment in their composition books (green label). We don't accept assignments on individual papers.
- The students are sometimes required to write directly on the home learning worksheet. If this is the case, please put the sheet inside the composition book.
- Every week, on Tuesday, the students will be tested on the home learning assignment. If Monday is no school, the test will be administered on Wednesday.

Thank you for your help and support!
