

WELCOME PICNIC

For the new 1st Graders at Sunset and West Lab Elementary

GIPA is the parent association for the German International Language Program at Sunset Elementary, West Lab, G.W. Carver Middle School and Coral Reef High School.

The picnic is a great opportunity for first grade and new German students and students to meet their classmates, the German teachers and other families in the German program. Please join us for an informative and fun-filled BBQ to start off the new school year!

We would love to have you! -The 2017/18 Second Graders &
