August 28, 2019

Dear Sponsor,

The **German International Parent Association (GIPA)** is a non-profit organization for the International Language Studies Program at four Miami-Dade County Magnet Schools: Sunset Elementary, H.S. West Lab Elementary, G.W. Carver Middle and Coral Reef Senior High School. Our program lists over 430 students with multi-cultural backgrounds from the entire Miami-Dade County school district and is growing annually. Since its inception in 1986, GIPA has provided budgetary funding for the German language program through teacher salaries, educational and technological tools and materials, as well as cultural activities and events.

Our organization thrives on all-volunteer support in the Miami community, but our budgetary needs would not be met without fundraising and sponsorship participation.

Events like Oktoberfest, Gala & Silent Auction, yearbook and scholarships serve as fundamental activities that keep our program running and each offers a unique opportunity for companies like yours to support our fundraising mission.

Our upcoming annual **Oktoberfest** will be held on **October 5th, 2019** at the German American Social Club, **and we would appreciate if your organization could contribute.**

Participation could be in form of a donation to our silent auction through a gift certificate or basket, hotel or spa vouchers, restaurant vouchers, holiday getaways, or items that showcase your business. We welcome your marketing material at our silent auction table and can offer your organization additional promotion on our GIPA website through a link on our Oktoberfest page.

All donations are tax-deductible and your generous donation will allow you to present your organization to over 1500 parents, students, and other attendees from the community.

Thank you for taking the time to consider. Please feel free to call me with any questions and to discuss further.

Kind regards,
Melinda Agostini-Wild
